

**NEW TRENDS IN HEALTH SYSTEMS & HEALTH RIGHTS**

## NEW TRENDS IN HEALTH SYSTEMS & HEALTH RIGHTS

Santander (Spain), October 13-14/20-21

This short seminar provides an overview of different issues to enhance the preparation of health professionals. It is focused on both theoretical and practical aspects of health systems and health law exploring current legal and policy issues which impact on the rights and responsibilities of patients, health providers and government policy makers.

The seminar is addressed to participants from different approaches as healthcare practitioners, physicians, nurses, policy makers and health lawyers interested in health systems and health rights. You can apply for submission at [asesoriajuridicasanidadss@cantabria.es](mailto:asesoriajuridicasanidadss@cantabria.es). Reading materials will be delivered to participants. Seminar is **free of charge**.

Because the seminar will be developed in a interactive way, only a maximum number of 15 participants will be admitted to the program.

A Certificate of Attendance will be presented to participants.

Seminar will be celebrated in english language at Campus Las Llamas (Universidad Internacional Menéndez Pelayo, Avda. Los Castros s/n).
